A team of two MLAsia members (Mr. Rishikesh Patankar and Mr. Saurabh Sharma) visited and installed Balshiksha – English (PTRK) as a part of test deployment on Friday 26th August 2011 at the following locations:

- 1) The Circle School, CR Park, New Delhi.
- 2) KidZee, Malvia Nagar, New Delhi.

Initially team met with the principal of the school and gave a brief introduction about MLAsia and Balshiksha.

Subsequent to this a complete desktop deployment was carried out by the team. The team also imparted trainings to a few teachers at the school and handed over one login credentials for the school to use.

Finally the team got the Deployment Acknowledgement Forms signed and stamped by the school authority. The evaluation forms were also circulated to the school authority. A feedback is planned to be collected from the school on regular basis. The team is also providing support through Telephone/Email. Overall the school authorities showed a lot of interest in our applications and desired interest in more such projects.
